

MAKE A BIRD FEEDER CAKE

You will need:

- Lard or suet (room temperature)
- Bird seed
- Nuts (unsalted)
- Dried fruits such as raisin
- Dry leftovers (oats, bread or cake)
- Egg box segment or pine cone
- String

1

Squish lard or alternative into a soft paste in a bowl and mix in double the amount of dry ingredients.

2

If using an egg box make a small hole through the bottom.

3

Thread the string through the hole and tie a knot or the string to the top of a pine cone make sure you leave plenty of string to be able to hang your feeder cake .

4

Pack each pot with your mixture or roll your pine cone through the mixture pushing it down firmly.

5

Place your cake in the fridge to set.

6

Once fully set , if using a egg box carefully tear away the box and recycle or compost it.

7

Hang your finished cake in a safe area and watch to see who comes for a feast
